

Making A Mark

2015 state of the mission

Mission

Our mission is to provide high-quality, non-emergency health care to the residents of Western Tidewater who cannot otherwise afford it.

Vision

Our vision is a healthy community where all people will be inspired and enabled to make healthy lifestyle choices, to use preventive health care, and to access resources to live in a safe and wholesome environment.

Values

Our core values are excellence, unity of purpose, respect, diversity, integrity, and stewardship of all resources.

Opportunities

LEGACY GIVING

Please consider this timeless and thoughtful way to support and sustain WTFC. For more information on how you can support WTFC through bequests, trusts, or other legacy gifts, contact Ashley Greene at agreene@wtfreeclinic.org or 757-923-1060, ext. 7025.

GIFTS IN-KIND

WTFC accepts gifts in-kind such as office and kitchen supplies, unopened and unexpired medications, and meals for our volunteers. Questions about in-kind donations? Contact Kim Abernethy at kabernethy@wtfreeclinic.org or 757-923-1060, ext. 7002.

MATCHING GIFTS

Many companies have matching gift programs that help you stretch your donation and make giving easy. Check with your employer to see if this opportunity is available to you.

SPEAKERS BUREAU

Are you a member of a civic group, church or club that might host speakers from time to time? For speaker information or to schedule a tour, contact Ashley Greene at agreene@wtfreeclinic.org or 757-923-1060, ext. 7025.

NAP CREDITS

The Virginia Neighborhood Assistance Program (NAP) provides tax incentives to encourage individuals to participate with non-profit organizations. At WTFC, we give these NAP credits to qualified licensed medical and dental volunteers.

Front cover, left to right: Clinic volunteer Jean Claud, former patient Latarsha Stith, dental patient Thaddeus Davis, patient Curtis Hampton, volunteer Gloria Mizelle

The Mark of A Leader

The qualities of a good leader include integrity, competence, and empathy. Good leaders promote teamwork and surround themselves with others who are the best at what they do. Great leaders understand their role is an honor bestowed on them as a result of trust built through relationships. And truly great leaders put the mission of the organization they serve above all else. Miriam Beiler has clearly made her mark over the last six years as exactly that kind of leader for Western Tidewater Free Clinic (WTFC).

Miriam became the Executive Director of WTFC in 2010. Under her leadership, the Clinic has celebrated many milestones, most importantly serving over 4,000 patients since inception and adding new patient services almost every year. In 2010, a two-chair dental suite was opened along with a comprehensive Women's Health Program. In 2011, our on-site pharmacy was opened and in 2012 we were proud to celebrate the Clinic's five year anniversary. That year, thanks to Miriam's strong financial management and extraordinary donor support, the Clinic became debt-free and started building its capital reserve fund.

In 2013, successful fundraising efforts resulted in record-breaking philanthropy from individual and corporate donors in support of the Clinic's mission. The year of 2014 brought off-site eligibility appointments in Franklin for better patient access. During all of this time, Miriam and her team ensured the maintenance of the Clinic's health home model of care, providing patients with access to multiple health services through comprehensive, coordinated, and compassionate care.

As you will see in this state of the mission report, 2015 was a banner year for the Clinic. It was also a wonderful culmination of all of Miriam's hard work and dedication to WTFC. The board of directors is truly grateful to Miriam for her selflessness, commitment, loyalty, and unwavering support of Western Tidewater Free Clinic. She will be missed, and her mark will live on through the lives she has changed while here.

A handwritten signature in black ink that reads "Stephanie G. Broadwater".

Stephanie G. Broadwater, Chair, Board of Directors

The Mark of A Community

"To keep a lamp burning, we have to keep putting oil in it." ~ Mother Teresa

It is this community that provides the sustaining oil for Western Tidewater Free Clinic. As a result, there is a true sense of caring at the Clinic that you feel the moment you walk through the doors. This is what I will miss the most as I bid you all farewell.

The Clinic was founded through community efforts, is sustained by community support, and will continue to serve its patients as a result of community commitment. The Clinic is a very special place and, thanks to this community, has come so far in such a short time. I have been proud and honored to serve as the executive director for the past six years, working side by side with an incredibly dedicated and professional group of staff and volunteers. Thanks to them and you, Clinic patients have access to multiple lifesaving services in this health home that is unique in so many ways.

This lamp is worth every ounce of oil you put into it. It is seen in the eyes of the patient who thanks his nurses with flowers on Mother's Day, in the smile of the patient who has dental care for the first time in 20 years, and even in the farewell tears of the patient who is newly insured and no longer needs our services. Keep in mind, the lamp will always need more oil to serve our community. Thank you for continuing to keep the Clinic lamp burning and sustaining this health home. I will miss you all, but know your light will continue to shine bright into the exciting future.

Fondly,

A handwritten signature in black ink that reads "Miriam A. Beiler".

Miriam A. Beiler, Executive Director (through May 27, 2016)

Making Marks in 2015

AN “EPIC” LAUNCH

The new Electronic Medical Record (EMR) system called “Epic” was launched successfully at WTFC in July, 2015. Thanks to our generous donors Sentara Health Foundation and Beazley Foundation, the Clinic was able to add this critical improvement for coordinated patient care. Our dedicated volunteers spent a great deal of time and effort to learn the new system and we are grateful for their commitment. Shown here, Sentara Clinical Systems Analyst Tony Peterson is working with WTFC volunteer Mary Doty on the new EMR system.

BACKYARD MISSION

Dr. April Foster joined the Clinic team as the new Medical Director in August, 2015. An existing community partnership between EVMS and WTFC, funded by Obici Healthcare Foundation, first led Dr. Foster to the Clinic during her residency rotation. She had always felt a passion for missionary medical work and had been volunteering overseas since she was 18. After graduating, Dr. Foster continued to volunteer at WTFC. She joined Clinic staff full-time when she realized “The Clinic was my Haiti, right in my own backyard.” It is evident in her passion and dedication that she truly shares the Clinic’s vision of a healthier community for all. Welcome, Dr. Foster!

THE EYES HAVE IT

Ophthalmologist Dr. Gary Sajko joined our volunteer corps and began giving WTFC patients his time and talents by seeing our first vision care patient in December, 2015. This critically needed new service was made possible not only by Dr. Sajko, but also through equipment funding by Birdsong Trust Fund. Seventy percent of Clinic patients are over age 40, have vision problems, and have not had a recent eye exam. Many need corrective lenses but cannot afford them or “readers.” Dr. Sajko is pictured with ophthalmology patient Michael Lee.

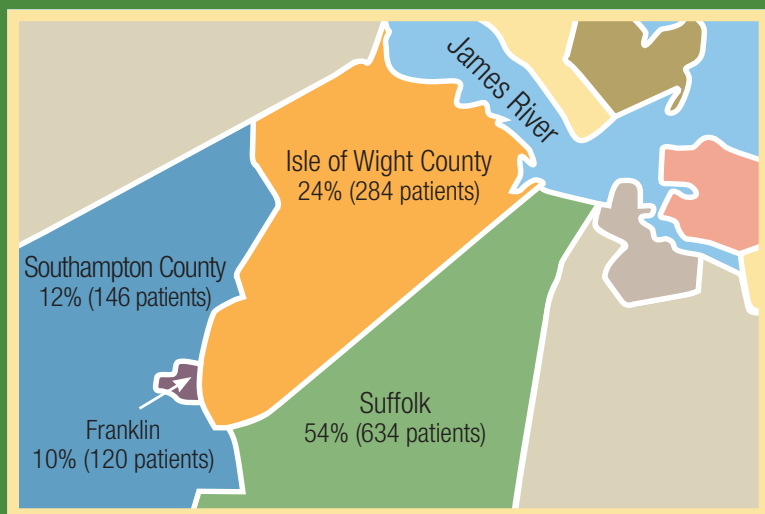

EXPANDING DENTAL ACCESS

Dental services were expanded this year to provide better accessibility for more patients in Western Tidewater. People with medical insurance but without dental insurance, and who meet all other Clinic eligibility requirements, were able to receive dental care at the Clinic for the first time. This is critical to our patients' overall health. Dental care improves patients' abilities to chew and eat more nutritious food, improves digestive health, and boosts self-esteem and employability. Expanding dental access to serve more patients creates a healthier community for all.

EXPANDING MENTAL HEALTH SERVICES

Through a partnership with Western Tidewater Community Services Board (WTCSB) which was funded by Obici Healthcare Foundation, patients at WTFC had access to on-site psychiatric service this year. Moderate anxiety and depression counseling had previously been offered at the Clinic, thanks to mental health volunteers. With mental health options scarce in our area, this new partnership allowed WTFC to provide integration of medical and behavioral health with management of specialized medications to many patients who were in great need. The Clinic health home model supports the idea that good mental health is closely connected to overall well-being, and crucial for a healthy lifestyle. Pictured here are WTCSB staff members Margo Wilson, NP, Michelle B. Jones, Tammy Walter, PA.

Patients Served by Locality

2015 TOTAL PATIENTS SERVED: 1,184

Volunteers

Western Tidewater Free Clinic has over 200 volunteers, with approximately 75 volunteers donating over 1,200 hours per month. This equates to almost 7 full-time employees. Since opening in 2007, over 102,000 hours have been donated to improve the health and lives of our patients – an estimated value of over \$3.3 million.

GET INVOLVED

WTFC has many volunteer opportunities available, from administrative to clinical support. Please contact Alexandra "Alex" Hodges at ahodges@wtfreeclinic.org or 757-923-1060, ext. 7003.

PUBLISHER'S NOTE: A portion of the cost of professional design and production of this State of the Mission report was generously donated.

2019 Meade Parkway
Suffolk, Virginia 23434

Far left: WTFC 2015 Volunteers of the Year were Sharon Sheffield, MD (Medical Volunteer of the Year), Laura Swafford, RN (Health Professional of the Year), and Libby Holdstein, RN, (Health Professional of the Year). Other honorees not pictured were Leroy Howell, Sr., DDS (Dentist Volunteer of the Year), Kay Stephenson (General Volunteer of the Year), Sharon Stull, RDH (Dental Professional of the Year), and Michele Teemer (General Volunteer of the Year).

Dental patient Wanda Lister shows off her new dentures.

Patient David Gates delivers some in-kind donations to the Clinic.

Peggy Sue Butler received lifesaving services as a patient in the WTFC women's health program.

The Western Tidewater Free Clinic (WTFC) 2015 State of the Mission is intended to provide an overview of the time, talent, and treasure utilized in providing a health home to eligible uninsured residents of Western Tidewater. To that end, the contents of this report have been extracted from

personal interviews, existing content, or database information. Therefore we cannot guarantee that this information is error-free. To provide any updates or corrections to this report, please notify the Executive Director of WTFC at 757-923-1060, extension 7001.

The Clinic maintains a 501(c)3 non-profit status and gifts are tax deductible to the full extent of the law.
