“HE WHO PLANTS A TREE, PLANTS A HOPE.”

~Lucy Larcom

Thank you for celebrating our 10th Anniversary with us! Because of you, Western Tidewater Free Clinic (WTFC) has had 10 years of “Growing Healthier Lives.” Because of you, more than 5,000 unduplicated patients have received more than 135,000 visits to the Clinic during this time. Because of you, more than 210,000 free medications were dispensed with a retail value of \$38 million since we opened. You have truly changed lives, one patient at a time.

This year’s State of the Mission includes highlights from the past decade and snapshots of the lives impacted by your support of the Clinic. As depicted on the cover, we honor our roots established by our founders, our sturdy trunk which grows with the support of our volunteers and donors, and our leaves that continue to grow as we strive to provide access to healthcare to all who need it. Because of you, our tree is healthy and strong.

In our 10th year of operations, we experienced record high numbers by serving 1,647 patients and providing 19,723 visits. Every service area had increases, including dispensing a record-high of \$9.2 million in retail value of medications. WTFC volunteers donated more than 9,600 hours last year, valued at more than \$280,000 and equivalent to almost 5 full-time employees. To celebrate our 10-year milestone, WTFC hosted two successful anniversary events including a forum with keynote speakers Virginia State Health Commissioner Dr. Marissa Levine, Delegate S. Chris Jones, and EVMS Department of Surgery Chairman Dr. L.D. Britt, and a donor celebration to honor 10-year donors and volunteers.

What’s next for WTFC? We will continue to grow healthier lives one patient at a time, with your continued belief and support of our mission. We will continue to serve those who fall through the gap of healthcare as the sole safety net provider of free healthcare in Western Tidewater. We will continue to serve as a health home for our patients, providing them with comprehensive, coordinated high-quality medical care. And, with your help, we will continue to serve grateful patients like Cynthia who recently shared, “I came to this Clinic broken and nowhere to turn... Thank you to everyone at the Western Tidewater Free Clinic. You people are miracle workers in my mind.”

Thank you for ensuring the Clinic remains sturdy and strong and that the lives touched here continue to grow and flourish.

Humbly yours,

VOLUNTEERS

Western Tidewater Free Clinic volunteers are the roots of our day-to-day patient care and successful operation. In 2017, more than 200 volunteers donated over 9,600 hours. In a decade of service, our invaluable volunteers have donated more than 119,000 hours for a market value of almost \$3.8 million. We are grateful that neighbors helping neighbors planted the foundational roots that still run deep at the Clinic.

GET INVOLVED

WTFC has many volunteer opportunities available, from administrative to clinical support. Please contact April Adkison at aadkison@wtfreeclinic.org or 757-923-1060, ext. 7003.

Obici Healthcare Foundation has funded WTFC since our inception in 2007. Their grants of more than \$6.6 million have made it possible for us to serve more than 5,000 unduplicated patients over the past decade.

Sentara Obici Hospital is the Clinic's largest referral partner and one of the catalysts that resulted in the creation of WTFC. Since we opened, Sentara has partnered with us to provide millions of dollars in lifesaving specialty care to our patients.

DONORS

To grow healthier lives, the Clinic tree must be watered regularly to keep our trunk strong and our leaves full. The continued commitment of our donors has made an incredible impact and allowed us to be a health home to those who need it most, because a free clinic is not free to operate. On behalf of all the lives you have changed at WTFC, thank you for watering our tree!

Western Tidewater Free Clinic hosted a 10th Anniversary Donor Celebration of “Growing Healthier Lives” at Hilton Garden Inn Suffolk Riverfront. The lovely Hilton lobby was filled with Clinic supporters celebrating how *Helping Hands. Health. Hope.* have improved the Western Tidewater community in the ten years since the Clinic opened. Ten-year volunteers and donors were recognized by Board Chair Bob Fry and Executive Director Chet Hart, as well as 10th Anniversary sponsors. Thank you to all who have and continue to support WTFC and have helped changed thousands of lives, one patient at a time!
